<p>Art</p> <p>You may choose the activity you want to do on whatever day you'd like to do it. If you want to do all 5 activities, GREAT, but it is perfectly fine if you just get one done. Don't forget to send me a pic on Class Dojo!</p>	<p>Activity Choice 1:</p> <p>Handprint flower sculptures- trace your hand at least 3 times then color with bright colors. (you can use paint to make a handprint if you have paint available). Once you have colored the hands, cut them out and tape or glue them to an object like a popsicle stick or straw for the stem. Add leaves to the stem.</p>  <p>(Visit Class Dojo or Gardens Facebook page to see the photo enlarged)</p>	<p>Activity Choice 2:</p> <p>Decorate an empty paper towel or toilet paper roll with paint, markers, crayons, tape or whatever fun supplies you have to create a vase to hold your handprint flowers from Art Choice 1 activity.</p>  <p>(You can give your handprint bouquet to your mom for Mother's Day!)</p> <p>(Visit Class Dojo or Gardens Facebook page to see the photo enlarged)</p>	<p>Activity Choice 3:</p> <p>Strengthen your drawing skills by following along with a video from Art For Kids Hub on YouTube. https://www.youtube.com/user/ArtforKidsHub</p>	<p>Activity Choice 4:</p> <p>Watch the video comparing Shape vs. Form at https://www.youtube.com/watch?v=cl2wNu0avC4 and practice drawing 3D shapes with the video.</p>	<p>Activity Choice 5:</p> <p>Shape Art: Create a work of art using as many geometric shapes as you can. (Squares, Circles, Rectangles, Triangles, Hexagons, Pentagons, etc.) You can use the shapes to create something or use them to create something abstract.</p>
